Join QANW and benefit from a constantly improving service provision. As an organisation – We Listen, We Learn, We Improve.

With not long to go now until the FIT Show 2019, writes QANW's Beth Stewart, we are busy organising our stand and making sure we have the best possible offers for you to take advantage of.

The Our Director of Sales, Barrie Smith-Wright, will be attending the exhibition and is looking forward to speaking with both our current members and potential new members. He said ahead of the show: "The team and I are really looking forward to this year's FIT. It's a very rare and great opportunity for us to interact on a more personal basis with the industry and our members."

Going digital

Barrie Smith-Wright continued: "This year we will be focusing on 'going digital' as the recent launch of our online application form was the final step to fulfilling our aim of becoming a fully digital service provider."

Launch offer

To celebrate this launch, we will be reducing our joining fee to just £49.99* for any insurance backed guarantee scheme taken from 20 May to 10 June 2019.

Any contractor looking to join at the show can do so - our team will be equipped with iPads to help you complete the

process.

Grab some grub – Stand D32 We will also have some tasty treats on our stand, so why not pop by and grab some free food - on Stand D32.

App and online

As mentioned, we now provide a fully digital service to our members beginning with the online application form, then the

to your customer - the policy holder - with the option of policies being downloaded via our website, where a policy holder's email address has been provided.

Full insurance suite

Our contractors also have access to a number of different insurance products for others works through their membership

QANW App to lodge works on-the-go or alternatively our online members' area where contractors have full management of their account.

Members can also communicate with a member of our team during office hours using our handy live chat feature which has been a big hit to date.

Your customers

Our digital service also extends

such as for roofline, renewable energy, warm roofs, insulation and many, many more!
