

The FIT Show Takes Off For Installers

The FIT Show 2019 - Birmingham NEC from May 21st to 23rd - is your chance to connect with all of your product, suppliers and the latest innovations all under one roof.

You can't afford not to be there. Here are our Top Ten reasons why:

1. FIT 2019 is set to be the biggest yet

Over 300 exhibitors from across the window, door, conservatory and glass industry are set to showcase their brands, products and services across three halls.

2. Installer Incentives

FIT is working with the likes of FIX Radio, On The Tools, Trades Talk and numerous trade counters to run a series of incentives and giveaways.

3. New Event Features

In addition to a brand new Installer Trail - guiding you straight to the stands that have information specifically for you - there will be a Timber Trail and a New Products Trail designed to take you straight to the products that are most relevant to you.

4. Back to School

The FIT Show 2019 learning programme includes CPD certified content, through to practical product demonstrations and advice on running your own business. FIT will be tackling installer issues with live demonstrations and business clinics, all delivered by quality speakers and industry experts.

5. Grab a Grand

Made for Trade are putting their money where their mouth is to demonstrate just how quick and easy the Korniche Lantern Roof is to fit. They're challenging installers to fit the product on site at FIT, with the installer with fastest time of the day set to win £1,000.

Two person teams can register via email to marketing@madefortrade.co

6. Be a Star of the Show

Everyone's Going Live is a video campaign designed to put you and your business in the spotlight - tell people you're going to The FIT Show 2019 and let them know what you want to see. Make sure you record your own #EveryonesGoingLive video.
