Features – Coming Soon in THE FABRICATOR

Please direct correspondence and feature synopses to john.roper@profinder.eu

Please direct press releases to fabricator@profinder.eu

Here you will find a list of The Fabricator Magazine's core features.

We commission articles and accept submissions. We are always happy to discuss submissions with potential contributors. We will require a brief synopsis of the feature idea by email to the editor along with full contact details.

We would be obliged if contributors also provide suitable photography and/or illustrations.

TheFabricator.pro sources news from the industry and from outside the industry.

We believe those writing for us deserve maximum exposure and thus features first published in the Magazine, are subsequently re-purposed to appear on TheFabricator.pro

The Fabricator Magazine is the only publication covering the window, door, conservatory, glass unit and facade sector that runs externally sourced features specifically on manufacturing best practice principles.
